

Reeds IP67 Triple

Klaus Begasse

IP67 

LUMINAIRE

- Watt: **22W**
- Voltage: **220-240V**
- Delivered lumen output: **314lm**
- CCT: **3000K**
- Efficiency: **10%**
- Efficacy: **14.27lm/W**
- CRI: **80**

Notes

220/240Vac 50/60Hz electronic ballast included.

DESCRIPTION

A luminous installation that blends with the landscape, Reeds is a poetic and modular element designed to enrich gardens, parks, and outdoor spaces with a scenographic presence, discreet and yet astonishing.

Seven flexible stems rise from the base like bamboo or aquatic reeds, guiding the LED light upward with natural grace.

Each stem glows with a soft, continuous light, creating a vibrant and organic effect that interacts with its surroundings, evoking a landscape that breathes and transforms through the night.

The modular base allows for infinite configurations: placed individually or in groups, Reeds units adapt elegantly to any landscape design. Also available in IP67 and IP68 versions, Reeds ensures reliability and durability outdoors, without compromising on aesthetic refinement.

Reeds is not just a light source, it is a design gesture that turns nature into a visual narrative.

FEATURES

- Product Code: **T087700**
- Colour: **Anthracite grey**
- Installation: **Floor**
- Material: **Methacrylate, polycarbonate**
- Series: **Architectural Outdoor**
- design by: **Klaus Begasse**

DIMENSIONS

- Length: **420 mm**
- Width: **420 mm**
- Height: **1500 mm**
- Impact Resistance: **IK10**
- Glow Wire Test: **750°**

SOURCES INCLUDED

- Category: **Led**
- Number: **3**
- Color Tolerance: **MacAdam 3SDCM**
- Service Life: **Life L70(17K) 102000h**
